Order

[ECF No. 11]

10 Pro se petitioner Darren L. McCoy petitions for a writ of habeas corpus to challenge his
11 state-court conviction for robbery with the use of a deadly weapon. I screened that petition and
12 gave the respondents until December 19, 2017, to respond to it.¹ Counsel for respondents moves
13 to extend that deadline by 30 days, and its motion to dismiss—filed on January 16, 2018—would
14 be timely under that extended deadline.² I find that respondents have shown good cause for this
15 extension of time, and I grant the request.

16 Accordingly, IT IS HEREBY ORDERED that the Motion for Enlargement of Time to
17 File Response to Petition for Writ of Habeas Corpus [ECF No. 11] is **GRANTED** nunc pro tunc
18 to December 19, 2017. The January 16, 2018, motion to dismiss [ECF No. 12] is deemed timely
19 filed.
